**Re: Refund Request - Deposit Account Charge
CNT - AIR MATTRESS CONTROL UNIT
Serial No. 10/790,603; Filed March 1, 2004**

Dear Sir:

I am in receipt of our firm's Deposit Account Statement dated June 30, 2005. It appears to us there is an improper charge in the amount of \$100 for the above identified application.

This application was filed on March 1, 2004 with 6 total claims and 2 independent claims. On October 29, 2004, Spencer Fane Britt & Browne LLP filed a preliminary amendment canceling the original 6 claims and adding claims 7 - 30, among which there were 3 independent claims, for a total of 24 claims. At that time we paid for the additional 4 claims in excess of 20 by giving authorization to charge our deposit account in the amount of \$36.00, the total fees at that time for 4 claims in excess of 20 for a small entity.

On May 16, 2005, we filed a response to Office Action dated February 15, 2005. In this response we kept all 24 claims in the preliminary amendment and added claims 31 - 37, including 2 additional independent claims. With this we have a total of 31 claims and 5 independent claims. As we paid for 24 total claims with the preliminary amendment on October 29, 2004, at this time we only paid for 7 additional claims and 2 additional independent claims with this response for a total of \$375, by authorization through our deposit account.

On the enclosed Deposit Account Statement, there is an additional charge of \$100 in connection with the above application, with a fee code indicating it is for 4 additional claims in excess of 20. Upon review of the file, it appears we are being charged again for 4 claims in excess of 20, which we had paid on a prior occasion.
